SARSAPARILLA,

of the worst disorders that affect manking arise from the eruption that accumulates in the blood. Of all the discreeries that have been made to purge it out, none can equal in effect Helmbold's Compound Extract of Sersaparille. It cleanses and renovates the blood, instills the vigor of bealth. into the system, and purges out the humors which make discars. It stimulates the healthly functions of the body, and expels the disorders that grow and rankle in the blood. Such s remedy that could be relied on has long been sangles for .and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single buttle will show the favorably known, will ther disk that it has virtues surpassing anything they have ever
